**Re: In re Benicar (Olmesartan) Products Liability Litigation  
MDL No. 2606**

Dear Judge Schneider:

Pursuant to the Court's April 20, 2016 Order, we provide the following schedule of Daiichi Sankyo Co, Ltd. witnesses to be deposed in Hawaii beginning May 19, 2016, with the interpreters for each deposition. We ask that the schedule be court ordered without any further delay so that the witnesses may finalize travel plans. The parties have reached agreement on this schedule with the exception of two issues.

First, plaintiffs have stated for the first time this afternoon they do not agree to multiple interpreters for each deposition. It is standard practice to rotate interpreters during a deposition. The plaintiffs' lawyers in these depositions talk fast and the process is intense. Having the interpreters rotate will ensure optimum quality. Defendants are paying for the interpreters, and have assigned multiple interpreters so as to avoid fatigue. Defendants believe this is their decision to make. We do not see a legitimate basis for plaintiffs' new objection.

Second, plaintiffs requested three changes to the scheduling originally proposed

by defendants. Defendants accommodated two requests. We cannot accommodate the third, which was to move Hanako Saito's deposition from July 5-6 to July 7-8 or 15-16. July 7-8 is already taken with the Yoshihiro Emura deposition and Ms. Saito is not available on July 15-16. The sole reason given by plaintiffs for their proposed change is personal convenience. The change should be rejected.
